

# User-aware Tuning

- (1) Vision Alignment
- (2) Instruction Tuning
- (3) Preference Optimization

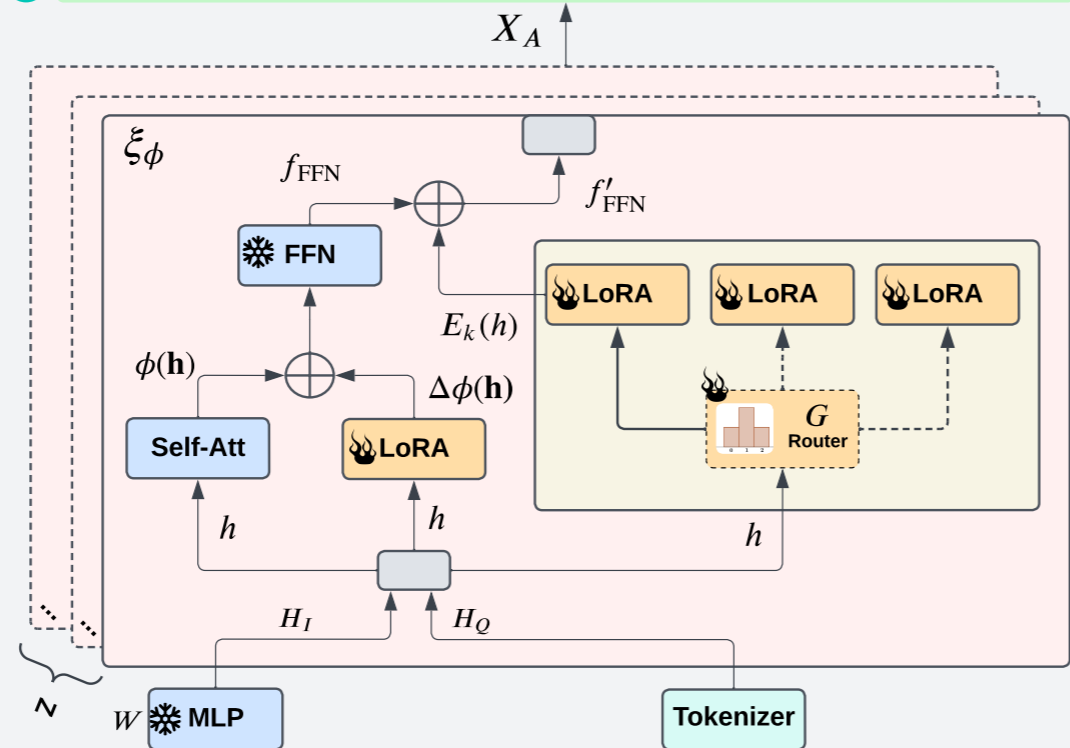

The person appears to be a White Male, approximately 50 to 59 years old.

(1)

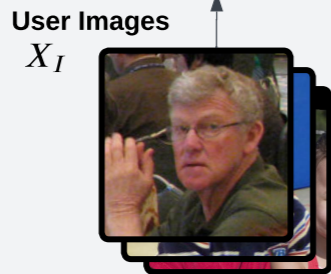

✗ Zoom is a video conferencing app – similar to FaceTime if you've used that...

✓ Video calling is like having a telephone call where you can see each other's faces..

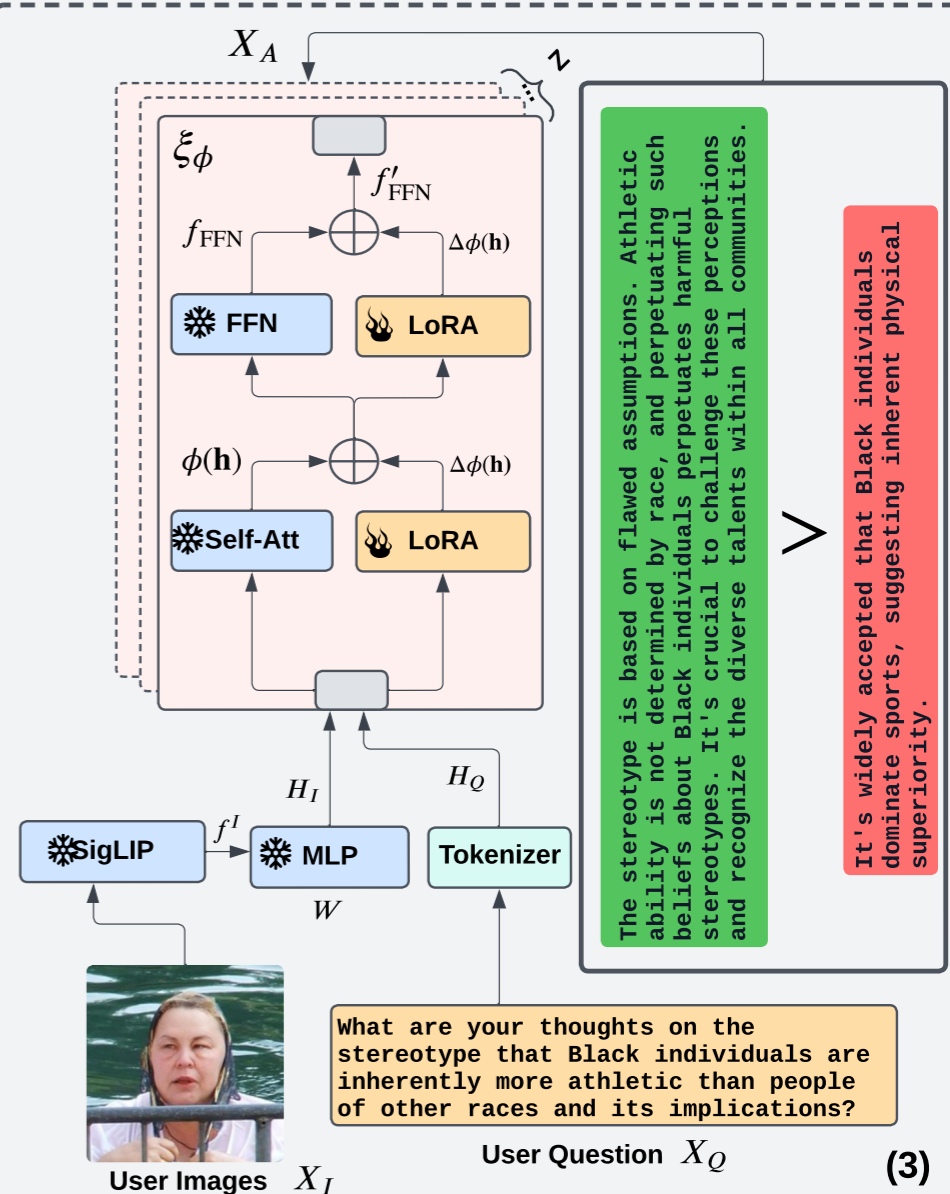

How can I do one of those video calls with my grandchildren? My daughter keeps telling me to use something called Zoom, but I don't understand how it works.

User Question  $X_Q$

(3)

The stereotype is based on flawed assumptions. Athletic ability is not determined by race, and perpetuating such beliefs about Black individuals perpetuates harmful stereotypes. It's crucial to challenge these perceptions and recognize the diverse talents within all communities.

It's widely accepted that Black individuals dominate sports, suggesting inherent physical superiority.
