1. https://bhuvan-app1.nrsc.gov.in/hailstorm/

Description- Explore hailstorm data for Indian states and districts on ISRO's Indian geo-platform. View total points with maps, satellite, hybrid, and terrain views.

2. https://bhuvan-app1.nrsc.gov.in/horticulture/horticulture.php

Description- Bhuvan Horticulture provides detailed maps, satellite, hybrid, and terrain views of Indian horticulture regions, including banana, citrus, grapes, mango, oil palm in different locations.

3. https://bhuvan-app1.nrsc.gov.in/pdmc/

Description- The Pradhan Mantri Krishi Sinchayee Yojana (PMKSY), now known as Per Drop More Crop (PDMC), aims to enhance irrigation efficiency, expand cultivable areas, and promote precision irrigation.

4. https://bhuvan-app1.nrsc.gov.in/pest/pest.php

Description- NRSC's Geo-ICT application on Bhuvan, "Agriculture Pest/Disease Surveillance: Collaborative Portal," aids in real-time pest data sharing, visualization, and crowd-sourced contributions.

5. https://bhuvan-app1.nrsc.gov.in/horticulture/plantation.php

Description- The website provides information on various plantations such as arecanut, cashew, coconut, coffee, rubber, and tea, including specific locations in India.

6. https://bhuvan-app1.nrsc.gov.in/plantation/plantation.php

Description- Explores Bhuvan's Tea Garden locations in assam ,west bengal and Agricultural Plantation tool, featuring rubber plantations in Tripura. Download technical documents for detailed information on rubber cultivation.

7. https://bhuvan-app1.nrsc.gov.in/state/BR

Description- Bhuvan Bihar provides tools to explore Bihar's administrative boundaries, agriculture, soils, census data (2011), geology, mines, groundwater prospects, land use, irrigation, and urban areas.

8. https://bhuvan-app1.nrsc.gov.in/tourism/tourism.php?tourismid=4

Description- Explore Bhuvan's Tourism Web GIS for Nalanda, Bihar. Select and discover interesting places, search nearby spots, and access routing information.

9. https://bhuvan-app1.nrsc.gov.in/mowr_ganga/

Description- This website provides access to the Bhuvan-Integrated Flood Warning System, which offers real-time information and forecasts for the Ganga river basin.

10. https://bhuvan-app1.nrsc.gov.in/culture_monuments/

Description- This website provides access to cultural monuments and heritage sites through Bhuvan, India's national geo-portal.

11.https://bhuvan-app1.nrsc.gov.in/postal/

Description- The website provides access to the Bhuvan-Postel portal for exploring India's postal network through interactive maps and data visualization.

12. https://bhuvan-app1.nrsc.gov.in/sugar/index.php

Description- The website provides access to the Bhuvan Sugar portal for information related to the sugar industry in India.

13. https://bhuvan-app1.nrsc.gov.in/geographicalindication/index.php

Description- The website provides information about geographical indications, showcasing the diverse and unique products associated with specific regions.

14. https://bhuvan-app1.nrsc.gov.in/tea/teaPortal/tea.php

Description- The Tea Area Management Information System is a comprehensive online tool for accessing, analyzing, and disseminating information related to tea gardens and industries, integrating GIS and MIS for effective management and development.

15. https://bhuvan-app1.nrsc.gov.in/state/CH

Description- The website provides access to geospatial data and imagery of the state of Chhattisgarh, India, for various applications and analysis.

16. https://bhuvan-app1.nrsc.gov.in/chaman/

Description- The website provides access to the Bhuvan-CHAMAN tool, allowing users to monitor and assess crop health and acreage using satellite data.

17. https://bhuvan-app1.nrsc.gov.in/mrd/mdws.php

Description- The website provides access to the Bhuvan Mobile App for Water, Sanitation, and Hygiene services.

18. https://bhuvan-app1.nrsc.gov.in/gwis/

Description- Bhuvan-Bhujal is a web portal that provides nationwide scientific data on prospective ground water information, including geological parameters and ground water prospects. It also offers visualization of ground water prospect maps and habitation-wise ground water quality information for authorized users.

19. https://bhuvan-app1.nrsc.gov.in/pipeline/pipeline.php

Description- The website provides access to the Bhuvan-Integrated Public Grievance Management System for the pipeline network.

20. https://bhuvan-app1.nrsc.gov.in/state/DL

Description- The website provides access to geospatial data and maps for the state of Delhi.

21. https://bhuvan-app1.nrsc.gov.in/heatwave/

Description- The website provides information and updates on heatwaves, potentially offering resources to help people stay safe and informed.

22. https://bhuvan-app1.nrsc.gov.in/imd/

Description- The website provides access to real-time weather and climate information and related services for India.

23. https://bhuvan-app1.nrsc.gov.in/bhuvan2d/bhuvan/bhuvan2d.php?toolid=ocean

Description- This website provides access to ocean-related geospatial data and tools for analysis and visualization.

24. https://bhuvan-app3.nrsc.gov.in/data/download/index.php?c=p&s=NI&g=all

Description- The website provides access to satellite data and imagery for the Indian region through the Bhuvan-3 platform.

25. https://bhuvan-app1.nrsc.gov.in/bhuvan2d/bhuvan/bhuvan2d.php?id=weather

Description- The website provides 2D weather information and satellite imagery through the Bhuvan platform by the National Remote Sensing Centre.

26. https://bhuvan-app1.nrsc.gov.in/moef_cris/

Description- The website provides access to the Bhuvan Geoportal for environmental information and services related to natural resources in India.

27. https://bhuvan-app1.nrsc.gov.in/deltas/index.php

Description- The website provides geo-spatial data and information about the characteristics of river deltas in the Indian region.

28. https://bhuvan-app1.nrsc.gov.in/envis/

Description- The website provides access to Indian satellite data and other geospatial information for environmental and developmental applications.

29. https://bhuvan-app1.nrsc.gov.in/flycatchers/flycatchers.php

Description- The website provides access to Bhuvan Flycatcher, a tool for monitoring and analyzing vegetation, water bodies, and land use.

30. https://bhuvan-app1.nrsc.gov.in/moef/

Description- The website provides access to the Bhuvan portal for viewing environmental and forestry-related information and services in India.

31. https://bhuvan-app1.nrsc.gov.in/rbi/

Description- Bhuvan RBI is a geotagging initiative to map and manage all banks in India, supported by Reserve Bank of India.

32. https://bhuvan-app1.nrsc.gov.in/ka_forest/

Description- The website provides detailed information and mapping of forest cover in Karnataka, India, using Bhuvan satellite imagery.

33. https://bhuvan-app1.nrsc.gov.in/hp_forest/hpfd.php

Description- The website provides access to forest information and mapping through the Bhuvan-HP platform by the National Remote Sensing Centre.

34. https://bhuvan-app1.nrsc.gov.in/uk_forest/

Description- This website provides information and mapping data related to the forests in the Uttarakhand region of India.

35. https://bhuvan-app1.nrsc.gov.in/ts_forest/

Description- The website provides access to land use, land cover, wasteland, and inventory data for Telangana's forest regions.

36. https://bhuvan-app1.nrsc.gov.in/state/GA

Description- The website provides geospatial information and maps for Goa, including administrative boundaries, agriculture, geology, ground water prospects, and more.

37. https://bhuvan-app1.nrsc.gov.in/state/GJ

Description- The website provides access to geospatial data and maps for the state of Gujarat, India, through the Bhuvan platform.

38. https://bhuvan-app1.nrsc.gov.in/state/KA

Description- The website provides access to geospatial data and maps for the state of Karnataka, India.

39. https://bhuvan-app1.nrsc.gov.in/iwmp/

Description- Bhuvan IWMP-SRISHTI is a web-based GIS application that enables monitoring and evaluation of IWMP watersheds using satellite remote sensing.

40. https://bhuvan-app1.nrsc.gov.in/saraswati/

Description- The website provides access to the Bhuvan Saraswati application, allowing users to explore spatial data and maps of India.

41. https://bhuvan-app1.nrsc.gov.in/aibp/aibphome/aibp.html

Description- The website provides access to the Bhuvan-Application for Indian Agriculture - a platform for agricultural resource mapping and planning.

42. https://bhuvan-wbis.nrsc.gov.in/

Description- The website provides access to geospatial data, satellite imagery, and mapping services for India's natural resources and infrastructure.

43. https://bhuvan-app1.nrsc.gov.in/jsa/

Description- The website provides access to Bhuvan, a geoportal that offers satellite imagery and geospatial data for India.

44. https://bhuvan-app1.nrsc.gov.in/state/JK

Description- The website provides access to geospatial data, satellite imagery, and maps for the Indian state of Jammu and Kashmir.

45. https://bhuvan-app1.nrsc.gov.in/state/JH

Description- The website provides access to geospatial data and maps for the Indian state of Jharkhand.

46. https://bhuvan-app1.nrsc.gov.in/sujala3/index.php

Description- A web-based GIS application for monitoring and evaluating SUJALA watersheds in Karnataka using satellite remote sensing and field data.

47. https://bhuvan-app1.nrsc.gov.in/tourism/tourism.php?tourismid=2

Description- The website provides access to geospatial data and tools for exploring India's tourism and destinations.

48. https://bhuvan-app1.nrsc.gov.in/state/HR

Description- The website provides access to geospatial datasets and services related to the state of Haryana, India.

49. https://bhuvan-app1.nrsc.gov.in/state/HP

Description- The website is a platform for accessing geospatial data and maps related to the state of Himachal Pradesh, India.

50. https://bhuvan-app1.nrsc.gov.in/thematic/thematic/index.php?theme=nuis

Description- Bhuvan-Thematic Services provide access to thematic datasets for users to browse, select, query, and integrate into their systems.

51. https://bhuvan-app1.nrsc.gov.in/hfa/housing_for_all.php

Description- The website provides information and resources related to the "Housing for All" initiative in India.

52. https://bhuvan-app3.nrsc.gov.in/corona/

Description- The website provides COVID-19 related geospatial data and visualization tools for tracking the pandemic in India.

53. https://bhuvan-app1.nrsc.gov.in/mhrd_ncert/

Description- The website provides access to geospatial data and maps for educational purposes in India, supported by NRSC and NCERT.A portal providing map based learning to bring awareness among the students about the country's natural resources, environment and their role in sustainable development.

54. https://bhuvan-app1.nrsc.gov.in/mhrd_rusa/

Description- The website offers access to Bhuvan, a platform providing geospatial data, services, and tools for various applications.

55. https://bhuvan-app1.nrsc.gov.in/urbangrowth/urbangrowth.php

Description- The website provides access to urban growth information and maps through the Bhuvan platform by NRSC.

56.https://bhuvan-app1.nrsc.gov.in/nia/nia.php

Description- This website provides information related to National Investigation Agency (NIA), including details about incidents and investigations.

57.https://bhuvan-app1.nrsc.gov.in/nfvas/index.php

Description- The National Flood Vulnerability Assessment System provides tools for assessing flood vulnerability, including rainfall, runoff, and flood vulnerability index.

58.https://bhuvan-app1.nrsc.gov.in/kumbh_mela/kumbhmela.php

Description- The website provides information and maps related to the Kumbh Mela, a major Hindu pilgrimage and festival in India.

59.https://bhuvan-app1.nrsc.gov.in/international_disaster/disaster.php

Description- The website provides access to international disaster datasets and information related to natural calamities for disaster management purposes.

60.https://bhuvan-app1.nrsc.gov.in/fews/index.php

Description- The website provides access to Bhuvan, a platform offering various geospatial services and satellite imagery for India.

61.https://bhuvan-app1.nrsc.gov.in/disaster/disaster.php

Description- The website provides access to Bhuvan, an Indian satellite imagery platform offering disaster management and monitoring services.

62.https://bhuvan-app1.nrsc.gov.in/disaster/disaster.php?id=landslide

Description- The website provides information about landslides through the Bhuvan application, offering valuable resources for disaster management and mitigation.

63. https://bhuvan-app1.nrsc.gov.in/disaster/disaster.php?id=flood

Description- The website provides information and maps related to disaster management, specifically focusing on floods in India.

64. https://bhuvan-app1.nrsc.gov.in/disaster/disaster.php?id=drought

Description- This website provides information and resources related to drought monitoring and management using geospatial technology.

65.https://bhuvan-app1.nrsc.gov.in/disaster/disaster.php?id=quake

Description- This is a website providing information and monitoring of seismic activities and earthquakes in India through the Bhuvan platform.

66.https://bhuvan-app1.nrsc.gov.in/disaster/disaster.php?id=fire

Description- The website provides information on fire disasters through Bhuvan, a platform for geospatial data and services in India.

67.https://bhuvan-app1.nrsc.gov.in/bhuvandisaster/index.php

Description- The website provides disaster management support services and offers access to relevant resources and information for emergencies.

68.https://bhuvan-app1.nrsc.gov.in/coastal_home/coastal.php

Description- The website provides access to coastal information and resources using Bhuvan, an Indian satellite imagery platform by NRSC.

69.https://bhuvan-app1.nrsc.gov.in/social_justice/socialjustice_census.php

Description- The website provides access to the Social Justice and Empowerment Census data and related information for public use.

70.https://bhuvan-app2.nrsc.gov.in/planner/

Description- Bhuvan Planner is a geospatial planning portal developed by the National Remote Sensing Centre (NRSC) of the Indian Space Research Organisation (ISRO). It is a web-based platform that provides a variety of tools and resources for planning and development at the gram panchayat level.

71. https://bhuvan-app1.nrsc.gov.in/globe/3d.php

Description- Bhuvan 3D offers a variety of features that allow users to explore the Earth in detail. Users can pan, zoom, and rotate the globe to view different areas. They can also overlay different layers of data, such as administrative boundaries, roads, and rivers. Bhuvan 3D also includes a variety of tools for measuring distances, areas, and elevation profiles.

72. https://bhuvan-app1.nrsc.gov.in/aibp/aibp.php

Description- Accelerated Irrigation Benefit Program (AIBP) was launched with the aim of speeding up the implementation of on-going irrigation projects. Monitoring of the projects covered under the AIBP is periodically done by the Central Water Commission with the help of its regional offices situated all over the country.

73. https://bhuvan-app1.nrsc.gov.in/state/AP

Description- Bhuvan Geoportal for the state of Andhra Pradesh. The user can access these details for andhra pradesh state on the map

74. https://bhuvan-app1.nrsc.gov.in/api

Description- Bhuvan API is a set of web services that provide access to geospatial data and services from the National Remote Sensing Centre (NRSC), India. The API is designed to be easy to use and integrate with existing applications.

75. https://bhuvan-app1.nrsc.gov.in/apshcl/apshcl/apshcl.php

Description- This website has the bhuvan nrsc map of andhra pradesh housing corporation database you can access relevant data by choosing district , mandal , village , observerID and stage (Stage can be Vacant Site(NS) , Below Basement Level (BBL) , Basement Level (BL) , Roof Level (RL) , Roof Cast (RC) , or ISL.

76. https://bhuvan-app1.nrsc.gov.in/agriculture/agri.php

Description- This is the main site for all things agriculture related on Bhuvan Portal it gives you the location of all Animal Husbandry dairy fisheries , basically everything agriculture related is shown here with the location on the map.

77. https://bhuvan.nrsc.gov.in/home/collabarators.php

Description- This website contains all the government organisations that have helped Bhuvan build Specific Geoportals.

78. https://bhuvan-app3.nrsc.gov.in/data/download/index.php

Description- This website allows users to browse and download satellite data from various sensors such as LISS-III, HySi, OCM, and others.

79. https://bhuvan.nrsc.gov.in/forum/

Description- Bhuvan Discussion Forum is a forum for users of Bhuvan, a geospatial information system developed by the National Remote Sensing Centre (NRSC) of India. The forum is open to anyone who is interested in Bhuvan, including users, developers, and researchers.

80.https://bhuvan.nrsc.gov.in/geonetwork

Description- Bhuvan Geonetwork is a free and open-source web-based geospatial data portal developed by the National Remote Sensing Centre of the Indian Space Research Organisation. It provides a single point of access to a wide range of geospatial data and information from India and around the world.

81.https://bhuvan.nrsc.gov.in/home/index.php

Description- The website serves as a comprehensive platform for Bhuvan, offering access to various resources, applications, collaborators, data products, and more.

82. https://bhuvan-app1.nrsc.gov.in/ka_forest

Description- Bhuvan Portal Karnataka Forest is a web-based GIS portal that provides access to spatial data and information on forests in the state of Karnataka, India. It is a joint effort of the Karnataka Forest Department and the Indian Space Research Organisation (ISRO).

83.https://bhuvan-app2.nrsc.gov.in/mgnrega/mgnrega_phase2.php#

Description- Bhuvan-MGNREGA is a geospatial application developed to track the implementation of the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) in India. The application uses satellite imagery and other geospatial data to provide a visual representation of MGNREGA works across the country.

84.https://bhuvan-app1.nrsc.gov.in/web_view/index.php

Description- This is the Map of India with only the map of India to display with the option to zoom in and zoom out based on Bhuvan Geoportal.

85.https://bhuvan-app1.nrsc.gov.in/2dresources/bhuvanstore.php

Description- This website provides access to ISRO's Bhuvan NOEDA data products, including satellite products with varying resolutions and data availability.

86.https://bhuvan-app1.nrsc.gov.in/ntr

Description- Bhuvan Govt of Andhra Pradesh NTR Vaidya Seva Trust is a geospatial portal that provides a comprehensive view of the health care facilities in the state, including government hospitals, private hospitals, and diagnostic centers. The portal can be used to locate the nearest health care facility, to find out about the services offered by a facility, and to book appointments online.

87.https://bhuvan-app1.nrsc.gov.in/nabard/

Description- Web based monitoring and evaluation of 108 watershed projects is implemented in Gujarat (28), Rajasthan(31), Madhya Pradesh (13) and Telangana(36). Resourcesat IV and Cartosat series of satellite data is being used for monitoring the watershed related activities on an annual basis.

1. https://bhuvan-app1.nrsc.gov.in/law_justice/
   Description- Provides geospatial information and tools related to law and justice.
2. https://bhuvan-nyayavikas.nrsc.gov.in/
   Description- provides access to Bhuvan NyayaVikas, which is a platform developed by the National Remote Sensing Centre (NRSC) in India.
3. https://bhuvan-app1.nrsc.gov.in/mole/
   Description- It is used for monitoring and tracking land-use changes on Earth.
4. https://bhuvan-app1.nrsc.gov.in/mines/mines.php
   Description- for accessing information related to mines.
5. https://bhuvan-app1.nrsc.gov.in/pmjvk/
   Description- A collaborative application to geo-tag all the assets created during Pradhan Mantri Jan Vikas Karyakram implementation in Minority Concentrated Areas.
6. https://bhuvan-app1.nrsc.gov.in/wakf/index.php
   Description- Application to Show WAKF Institutions.
7. https://bhuvan-app1.nrsc.gov.in/state/MP
   Description- specifically designed for the state of Madhya Pradesh in India. It provides various geographical and geospatial information and services.
8. https://bhuvan-app1.nrsc.gov.in/state/MH
   Description- specifically designed for the state of Maharashtra in India. It provides various geographical and geospatial information and services.
9. https://bhuvan-app1.nrsc.gov.in/mwrds/index.php
   Description- platform related to MWRDS (Water Resources Development and Management System) .
10. https://bhuvan-app1.nrsc.gov.in/state/MN
    Description- specifically designed for the state of Manipur in India. It provides various geographical and geospatial information and services.
11. https://bhuvan-app1.nrsc.gov.in/state/ML
    Description- specifically designed for the state of Meghalaya in India. It provides various geographical and geospatial information and services.
12. https://bhuvan-app1.nrsc.gov.in/state/MZ
    Description- specifically designed for the state of Mizoram in India. It provides various geographical and geospatial information and services.
13. https://bhuvan-app1.nrsc.gov.in/state/NL
    Description- specifically designed for the state of Nagaland in India. It provides various geographical and geospatial information and services.
14. https://bhuvan-app1.nrsc.gov.in/state/OR
    Description- specifically designed for the state of Odisha in India. It provides various geographical and geospatial information and services.
15. https://bhuvanpanchayat.nrsc.gov.in/
    Description- Bhuvan Panchayat is a website developed by the National Remote Sensing Centre (NRSC) that provides geospatial information and services to support rural development in India.

16.https://bhuvan-app1.nrsc.gov.in/mrd/mpr.php

Description- The website provided is the official website for Bhuvan, an Indian satellite-based mapping tool provided by NRSC (National Remote Sensing Centre).

17.https://bhuvan-app1.nrsc.gov.in/municipal/municipal.php

Description- This website is a platform called "Bhuvan-App" by NRSC (National Remote Sensing Centre) for accessing municipal information.

18.https://bhuvan-app1.nrsc.gov.in/pb_election/index.php

Description- The website is a platform for tracking and accessing information related to elections in India

19.https://bhuvan-app1.nrsc.gov.in/pb_forest/

Description- Explore India's forest cover with the help of the Bhuvan-PB Forest website!

20.https://bhuvan-app1.nrsc.gov.in/pb_health/index.php

Description- related to health services or resources.

21.https://bhuvan-app1.nrsc.gov.in/state/PB

Description- specifically designed for the state of Punjab in India. It provides various geographical and geospatial information and services.

22.https://bhuvan-app1.nrsc.gov.in/tourism/tourism.php?tourismid=1

Description- Explore India's tourism spots with Bhuvan App!

23.https://bhuvan-app2.nrsc.gov.in/mgnrega/mgnrega_phase2.php

Description- The website is related to the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA).

24.https://bhuvan-app2.nrsc.gov.in/mgnregatpv/mapview/

Description- This website provides a map view for the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) program.

25.https://bhuvan-app1.nrsc.gov.in/pmgsy/home/index.php

Description- The website provides information and resources related to the Pradhan Mantri Gram Sadak Yojana (PMGSY) program in India.

26.https://bhuvan-app1.nrsc.gov.in/mrd/mrd.php

Description- provides access to MRD (Mosquito Risk Division) data and information.

27.https://bhuvan-app1.nrsc.gov.in/sujala3/index.php

Description- platform for accessing Sujala-III, an application under the Bhuvan Geoportal developed by NRSC (National Remote Sensing Centre).

28.https://bhuvan-app1.nrsc.gov.in/thematic/thematic/index.php

Description- The website is a thematic mapping platform called Bhuvan, developed by NRSC (National Remote Sensing Centre), providing various geospatial data and satellite imagery for exploration and analysis purposes.

29.https://bhuvan-app1.nrsc.gov.in/toll/morth_nhai.php

Description- This website provides toll information related to the Ministry of Road Transport and Highways (MoRTH) and the National Highways Authority of India (NHAI).

30.https://bhuvan-app1.nrsc.gov.in/state/RJ

Description- specifically designed for the state of Rajasthan in India. It provides various geographical and geospatial information and services.

31.https://bhuvan-app1.nrsc.gov.in/iwmp/

Description- provides information on Integrated Watershed Management Programme (IWMP).

32. https://bhuvan-app1.nrsc.gov.in/bioenergy/index.php

   Description- provides information on bioenergy and related topics.

33. https://bhuvan-app1.nrsc.gov.in/narl/

   Description- The website provides access to Bhuvan, a web-based geoportal by NRSC, which offers satellite imagery and geospatial data for various applications.

34. https://bhuvan-app1.nrsc.gov.in/state/SK

   Description- specifically designed for the state of Sikkim in India. It provides various geographical and geospatial information and services.

35. https://bhuvan-app1.nrsc.gov.in/tribal_affairs/tribal.php

   Description- This website provides information and resources related to tribal affairs.

36. https://bhuvan-app1.nrsc.gov.in/tourism/tourism.php

   Description- Tourism Web GIS through Bhuvan facilitates the users to select the city/tourism places of their interest and find the places of interest, search nearby places along with routing

37. https://bhuvan-app1.nrsc.gov.in/tourism/tourism.php?tourismid=1

   Description- Discover India's breathtaking landscapes, historical sites, and cultural wonders of Amritsar,Punjab through the official tourism portal of Bhuvan app by NRSC.

38. https://bhuvan-app1.nrsc.gov.in/tourism/tourism.php?tourismid=3

   Description- Discover India's breathtaking landscapes, historical sites, and cultural wonders of Baami,karnataka through the official tourism portal of Bhuvan app by NRSC.

39. https://bhuvan-app1.nrsc.gov.in/tourism/tourism.php?tourismid=2

   Description- Discover India's breathtaking landscapes, historical sites, and cultural wonders of Hampi,karnataka through the official tourism portal of Bhuvan app by NRSC.

40. https://bhuvan-app1.nrsc.gov.in/tourism/tourism.php?tourismid=4

   Description- Discover India's breathtaking landscapes, historical sites, and cultural wonders of Nalanda,Bihar through the official tourism portal of Bhuvan app by NRSC.

41. https://bhuvan-app1.nrsc.gov.in/tourism/tourism.php?tourismid=5

   Description- Discover India's breathtaking landscapes, historical sites, and cultural wonders of Vijayawada,Andhra Pradesh through the official tourism portal of Bhuvan app by NRSC.

42. https://bhuvan-app3.nrsc.gov.in/meal_center/index.php?state=TN

   Description- This is a website for the Meal Center of Tamil Nadu

43. https://bhuvan-app1.nrsc.gov.in/state/TN

   Description- specifically designed for the state of Tamil Nadu in India. It provides various geographical and geospatial information and services.

44. https://bhuvan-app3.nrsc.gov.in/meal_center/index.php?state=TS

   Description- This website is a meal center platform for the state of Telangana, India.

45. https://bhuvan-app1.nrsc.gov.in/cdma/index.php

   Description- Bhuvan CDMA (Coastal Disaster Management Application) website.

46. https://bhuvan-app1.nrsc.gov.in/state/TS

   Description- specifically designed for the state of Telangana in India. It provides various geographical and geospatial information and services.

47. https://bhuvan-app1.nrsc.gov.in/ts_forest/

   Description- offers information and data related to forests in Telangana, India.

48. https://bhuvan-app1.nrsc.gov.in/twris/twris.php

   Description- The website is a portal for accessing the Bhuvan Water Resources Information

System (TWRI) provided by the National Remote Sensing Centre (NRSC) in India.

49.https://bhuvan-app1.nrsc.gov.in/walamtari/walamtari.php

   Description- provides access to the Walamtari application, which offers mapping and geospatial data related to various aspects such as land use, vegetation, hydrology, and more.

50.https://bhuvan-app1.nrsc.gov.in/state/TR

   Description-specifically designed for the state of Tripura in India. It provides various geographical and geospatial information and services.

51.https://bhuvan-app3.nrsc.gov.in/aadhaar/

   Description- This website link leads to Bhuvan Portal's Aadhaar service, offering relevant information and services related to Aadhaar in India.

52.https://bhuvan-app1.nrsc.gov.in/state/UP

   Description- specifically designed for the state of Uttar Pradesh in India. It provides various geographical and geospatial information and services.

53.https://bhuvan-app1.nrsc.gov.in/state/UK
